BELLAMY'S AND DOLLY PUT "BODY" BACK ON CHARTS

The Bellamy Brothers received some good news last week. The first song from their CD *Angels & Outlaws Volume 1* (Curb Records) "If I Said You Had A Beautiful Body" has entered the Billboard Radio Chart for the first time since its debut in 1979. Didn't hurt this time around to having a "beautiful body" singing along with them, Dolly Parton.

According to David Bellamy, "Dolly was not only an incredible professional in the studio; she was the also the most fun! Howard and I have always been her biggest fans so it was like Christmas having her sing with us on one of our hits. 'Beautiful Body' has always been an enduring hit but, with Dolly's interpretation, it's new all over again."

Some of the lyrics from "If You Said You Had A Beautiful Body" were featured in a Blender Magazine story on songs used as pick-up lines in Los Angeles bars. Use of the lyrics apparently delivered "home-run" results.
